### Doggy Breakfast 8:30am-9:00am

### Outside Time and Potty Breaks 9:00am-

A dog's gotta go when a dog's gotta go! Also, a good time to lay or play in the sun!

### Play about! 10:00am-12:00pm

Playing fetch, chasing each other and chasing us!

### Nap Time 12:00pm-1:00pm

With all the excitement of a day care morning, nap time becomes a very important part of your dog's day. This gives them the chance to recharge and stay balanced for the rest of the day.

## AFTERNOON DAYCARE SCHEDULE

### Doggy Lunch- 1:00pm

If requested by owner, dogs are fed their lunch around this time.

### Outside Time and Potty Breaks 1:30pm

A good way to burn off that lunch you just ate is to run around in the sun!

### Play about! 2:00pm-4:00pm

At this time, we will play some more challenging games to provide the proper mental stimulation for your dog. Basic commands and tricks are a good way to start.

### One-On-One Time 3:00pm

We will give each dog some time away from their pack to bond more with their handlers. At this time, they will get belly rubs, massages, hugs, and kisses! We may also use this time to brush out their coats.

## EVENING DAYCARE SCHEDULE

### Doggy Dinner 4:00pm

If requested by owner, dogs are fed their dinners at this time.

### Outside Time and Potty Breaks 5:00pm

### Winding Down 5:30pm

### Pack Of The Day Goodbyes- Pick Ups 5:30pm- 6:30pm

One by one, parents or sitters come to pick up their furry family member to spend the rest of the evening at home.
